Accomplishments

Search Engine

- Wrote the back-end of a fully fledged search engine capable of keeping a well-organized database of parsed web addresses

Sales Negotiation

- Negotiated the buying of industrial air conditioning units for a newly built county health clinic

Artificial Intelligence

- Created an AI capable of playing the game Network by Sid Sackson using game state evaluation and MinMax decision making

Work Experience

Community Volunteer

03/2016 to 05/2016

Reading Partners

San Francisco, CA

Three times a week I would commute to one of two public schools partnered with Reading Partners. I followed a strict curriculum of pre-planned lessons designed to help kids with underdeveloped reading abilities be able to catch up to their respective grade level of reading.

Student Intern

06/2013 to 08/2013

Monterey County Bureau of Health

Salinas, CA

Setup and cleaned "training rooms" for county trainings for federal employees

Was in charge of creating an calendar of all major dates for the upcoming fiscal year, accounting for all overlapping events

Negotiated the sale of industrial air conditioners of various purposes

Helped with illustrating a request for a new bus route that would allow easier access to a newly opened county health clinic

Education and Training

Bachelor of Science: Computer Science

2017

University of San Francisco

San Francisco, California, United States

University Scholar

Will have completed an undergraduate degree in 3 years of study

3.45 GPA

Member of Taekwondo Club, Treasurer (2015-2016)

Member of Kasamahan At USF, Sophomore Representative (2015-2016)
